Just an FYI, Louisiana is planning to update the Devil's Swamp Lake fish consumption advisory.

Just an FYI, is a state action. The work has been coordinated with the EPA RPM and EPA CIC for the Superfund site.

Subject: Press Release Draft

Good afternoon,

I've attached the first draft of the Devil's Swamp advisory. Please send me any edits in a track changed document so I can merge the changes correctly.

I specifically need responses (even if it's just an "OK") from Greg, Keith, Ashley, Bill and Bart. Feel free to loop in anyone else who needs to comment. Once I hear back from everyone, we will schedule a time to do a simultaneous release after I make all the changes and redistribute.

Thank you,

John Ford
